

**Shalom,**

**Special thanks to the AYS Sisterhood for a wonderful Chanukkah Bazaar. The students bought gifts for family and friends with the theme 'it is a mitzvah to give to others'. It was organized and greatly appreciated!! Also thanks to everyone for making 2014 a great Jewish learning year! Your support of our AJCSS is an investment in our Jewish heritage. We will be moving to Congregation Children of Israel and having our first class of the Spring Semester January 4, 2015. Enjoy some pictures of our Jewish Learning Community and our final session performed by our students and PARENTS!**
